

Are you an employer? Do you have staff or volunteers with a diagnosis of autism or Asperger's Syndrome?

We are offering free advice and help in order to improve your work environment and staff communication.

Grampian Autistic Society can help you with any queries that you might have. If there are communication difficulties or behaviour that you don't quite understand then please feel free to get in touch with our advisor.

Lisa Moir

Tel: 01224 277900

Email: training@grampianautisticsociety.co.uk

If you would prefer a meeting face to face then we can accommodate that as well. Just contact us via the above methods to arrange a time either at our offices or somewhere more convenient for you.
